

# THE WINE LIST AT SEABLUE

*We have developed our wine list to reflect modern and traditional wine philosophies. Building relationships with several boutique importers and a few mainstream distributors has enabled us to represent many wine-producing nations around the world. Our mission is to provide our guests with an eclectic and intriguing selection.*

*All our wines are temperature controlled and are served in Riedel or Riedel XL stemware. We maintain an inventory of two bottles of every wine on the premises and the remaining inventory is stored off premises at the owners temperature controlled custom wine cellar in their private home. When needed or requested, tableside Riedel decanters are used to exhibit the truest qualities of our wines.*

*We offer our wines by the taste, half glass, custom wine flights, custom wine and food pairings, full bottles, and large format bottles. In addition, we have invested in several Coravin revolutionary wine dispensing systems that expand our wine by the glass program to our entire list. Our wine by the glass program showcases our twenty-bottle dual temperature stainless steel OZ Wine Bar controlled environment system to keep our luxury wines by the glass fresh. In addition, we also employ the VacuVin system with the combination of a strict bottle dating policy to ensure the guest always enjoys a fresh glass of wine.*

*Our wine training, although relatively informal, is hands-on, with tastings for the staff along with open forum discussions that take place daily. We are fortunate to have a staff that is both knowledgeable and interested.*

*In addition to our everyday wine program, we frequently have wine tastings, and a monthly wine dinner. In every aspect of our wine program, it is our goal to make wine attainable for all people and to find the right wine for each palate. Our Wine Director & Owner, Kenneth Norcutt, carefully tastes and selects every wine on our list.*

*Every wine tells a story and through travel we have collected many stories. The wines on our list are wines that we love, from people that we care about, and of places we have been. In short, each wine is a story we have chosen to share with you.*

*“Wine makes daily living easier, less hurried, with fewer tensions and more tolerance.”*

*- Benjamin Franklin.*
